

THE GLEANER COMPANY LIMITED

AUDITORS' REPORT

We have examined the financial statements set out on pages 11 to 27 and have obtained all the information and explanations which we required. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary.

In our opinion, proper accounting records have been maintained and the financial statements, which are in agreement therewith, give a true and fair view of the state of affairs of the Company and the Group at December 31, 1995, and of the profit and cash flows for the Group for the year then ended so far as concerns members of the Company, and comply with the provisions of the Companies Act.
