

Montego Bay Ice Company 1996

Auditors' Report

To the Members of
MONTEGO BAY ICE COMPANY LIMITED

We have examined the financial statements as set out, and have obtained all the information and explanations which we required. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary.

In our opinion, proper accounting records have been maintained and the financial statements, which are in agreement therewith, give a true and fair view of the state of affairs of the company and the group at December 31, 1996 and of the loss and cash flows of the group for the year then ended so far as concerns members of the company and comply with the provisions of the Companies Act.
