Auditors' Report

To the Members of
TELECOMMUNICATIONS OF JAMAICA LIMITED

We have examined the financial statements as set out, and have obtained all the information and explanations which we required. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary.

In our opinion, proper accounting records have been maintained and the financial statements, which are in agreement therewith, give a true and fair view of the state of affairs of the company and the group at March 31, 1997 and of the profit and cash flows of the group for the year then ended and comply with the provisions of the Companies Act.
