## Notes

- (1) Increased volumes and improved productivity through new investments in the feedmill, the broiler processing plant and field operations accounted for the improved results of the first quarter.

(2) Taxation

The current year's taxation charge is disproportionate to the reported profit due to the utilisation of prior year tax losses.

(3) Comparative information

Certain comparative figures have been reclassified to conform with changes in the presentation of the current year. In particular, the comparatives have been adjusted or extended to take into account the requirements of the following new Accounting Standards:

(i) JSSAP 3.29 and (ii) JSSAP 3.30.

(4) Accounting periods

The Company's financial year consists of 13 four week periods. The quarterly Profit and Loss Account for each of the first three quarters consists of 3 four-week Periods, with the fourth quarter being 4 four-week Periods. The accounting year ends on the Saturday closest to April 30.
