## **AUDITORS' REPORT**

---

### **TO THE MEMBERS OF THE GLEANER COMPANY LIMITED AUDITORS' REPORT**

We have audited the financial statements as of and for the year ended December 31, 2003, set out on pages 15 to 54, and have obtained all the information and explanations which we required. The financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on the financial statements based on our audit.

We conducted our audit in accordance with International Standards on Auditing. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, proper accounting records have been kept and the financial statements, which are in agreement therewith and have been prepared in accordance with International Financial Reporting Standards, give a true and fair view of the state of affairs of the group and the company as at December 31, 2003, and of the results of operations and cash flows of the group for the year then ended, and comply with the provisions of the Companies Act, so far as concerns members of the company.
