Auditors' Report 2004

We have audited the financial statements set out on pages 1 to 22, and have received all the information and explanations, which we considered necessary. These financial statements are the responsibility of the company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with International Standards on Auditing. Those standards require that we plan and perform the audit to obtain all the information and explanations, which we considered necessary to provide us with reasonable assurance that the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. It also includes assessing the accounting principles used and significant estimates made by the directors and management, as well as evaluating the overall financial statements presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, proper accounting records have been kept and the financial statements, which are in agreement therewith, give a true and fair view of the state of affairs of the company and group as at 30 September 2004 and of the results of operations and cash flows of the group, and changes in equity of the group and the company for the year then ended, so far as concerns the members of the company, in accordance with International Financial Reporting Standards and comply with the provisions of the Jamaican Companies Act.
