# JSE'S Board Considers Lifting Suspension on the Trading of Dyoll Shares.

The Board of the Jamaica Stock Exchange (JSE) on September 16, 2005 decided to lift the suspension on the trading of shares in Dyoll Group Ltd. on or before October 11, 2005, provided that the company submits its outstanding financial statements. Trading in Dyoll's shares was suspended on February 15, 2005 because of its failure to provide material information to the JSE in keeping with the Exchanges Policy Statement on Timely Disclosure (JSE's Rule Book Appendix 8). JSE's Executive Chairman, Roy Johnson pointed out that Dyoll Group has submitted its Group audited financial statements for the year ended December 2004 as well as its first quarter results. However, he said that the second quarter results were still outstanding. Mr. Johnson noted that the Board, at its regular monthly meeting, had deliberated on the matter and decided that once Dyoll was in compliance with JSE's Rule 407 governing submission of 'Quarterly Financial Statements' the suspension of trading in Dyoll shares would be lifted on or before October 11, 2005.
