#### Jamaica Broilers - Expansion of Ethanol Production Facility

- Jamaica Broilers Group Limited (JB) has advised that it is in the process of merging the operations of its current ethanol plant and the new facility which is on track for completion by the end of February 2009, with the principal aim being to give JB Ethanol the "maximum flexibility needed for future production and storage" at the plant. This has led to a temporary suspension in production at JB Ethanol, although the organization's full workforce continues to be engaged.
