**SUPREME VENTURES EXTENDS TECHNOLOGY AGREEMENT WITH
INTRALOT FOR GAMING LOUNGE OPERATIONS**

Brian George, President & CEO of Supreme Ventures Limited (SVL) has announced a new contractual agreement with INTRALOT, which through its subsidiary INTRALOT Caribbean Ventures Limited will participate in SVL's wholly-owned subsidiary Prime Sports (Jamaica) Limited Gaming Lounge operations. The contract, initially for 10 years, includes automatic renewal for 5-year successive periods.

Prime Sports operates the Acropolis Gaming Lounges in Barbican, Kingston; Portmore and May Pen and the Coral Cliff Gaming Lounge in Montego Bay. George said "INTRALOT will provide Video Lottery Terminals (slot machines) to upgrade the gaming floors at SVL's lounges. The contract also includes the provision of a state-of-the-art electronic monitoring system for the machines and training support for the technical staff of the gaming lounges."

SVL's strategic plan also includes the roll-out of slot machines in smaller betting lounges islandwide and INTRALOT's expertise in route systems will be utilized for implementation of the project.

SUPREME VENTURES EXTENDS TECHNOLOGY AGREEMENT WITH INTRALOT...

Mr. Nikos Nikolakopoulos, Managing Director of INTRALOT Latin America, stated: “Our investment in Jamaica was a result of the great potential we saw in the region. We have established well, our presence in the island and we are now expanding further our excellent cooperation with our partner SVL, in the slot gaming area. We are also really pleased, since this is the second iGEM system that we will implement in the Latin American region within a year, after Peru and we are confident that it will be as successful.”

Supreme Ventures already uses INTRALOT’s technology for its sports betting operations with respect to the JustBet brand. Justbet allows players to bet on international sporting events though INTRALOT’s MicroLot terminals and make their selections from an extensive sports book housed by INTRALOT.

On January 1, 2011, SVL and Intralot’s subsidiary in Jamaica seamlessly merged the sports betting operations. Supreme Ventures Sports Betting now handles all aspects of the daily operations, including field and technical support for the agents, while INTRALOT provides apart from the technology, the respective risk management services.

SVL now conducts operations in all areas of the Gaming Industry: Lottery, Gaming (slot gaming lounges) and Bookmaking, through sports betting. The company does not offer bets on horseracing but is a major sponsor of 4 race days promoted by Caymanas Track Limited.
