PRESS RELEASE

Blue Power Limited is not Blue Power Group Limited. At our request, the Registrar of Companies has removed a dormant company, Blue Power Limited owned by us, from the Register of Companies. In 2010 Lumber Depot Limited took over the assets and liabilities of Blue Power Limited after which the name Lumber Depot Limited was changed to Blue Power Group Limited prior to being listed on the Junior Market of the Jamaica Stock Exchange. The activities of Blue Power Group Limited are now organized in a single company but into two divisions: the Blue Power Soap Division and the Lumber Depot Division. As a result of the actions taken in 2010, the company called Blue Power Limited became inactive and a decision was taken by the Directors to have it removed from the Register of Companies which has now been accomplished with the help of the Companies Office.

Dhiru Tanna
Chairman
