SECOND QUARTER FINANCIAL REPORT FOR LASCO DISTRIBUTORS LIMITED

UNAUDITED RESULTS

Following the completion of the second quarter of the financial year the Board of Directors presents second quarter results ending September 30, 2012 for LASCO Distributors Limited. Revenue for the company grew to \$4,116.1B an increase of \$552.5M or 15.5% over the corresponding period last year. Total comprehensive income was \$189.1M down by \$64.5M from \$253.6M, a decrease of 25.4% over the same period last year.

While there was positive growth in revenue, profits were impacted by disruptions in the supply chain which was out of our control. There was also a one off adjustment to the cost of sales and an increase in operational cost. The increase in operational cost was due to the company's drive to strengthen its distribution network and presence in the trade. We continue to deploy strategies to improve overall growth and profitability for the rest of the year.

Non-Current Assets was \$340.6M an increase of 85.3% over the same period last year. This was as a result of our medium-term deposit of \$150M with a financial institution. Current Assets have increased by 34.5% over the same period last year. This was mainly as a result of an increase of \$406.5M in Trade and Other Receivables. The increase was due to delays in settlement and extended terms to key institutions. There was also an increase in our short term deposits which was \$130.6M compared to \$18.3M the previous period this attributable increase cash flows.

There were also increases in Current Liabilities which saw Trade and Other Payables moved by \$410.3M over the same period last year as new operational arrangements with our Suppliers resulted in the comparative increase.

The company continues to demonstrate its commitment to the health care with the staging of the 13th annual LASCO/Ministry of Health (MOH) Nurse of the Year (NOY) program. It was another successful and esteemed event which was held on July 21, 2012 where Ms. Victoria Melhado won the LASCO/MOH Nurse of the year award and Ms. Teisha Vaughn took the title of LASCO/MOH Student Nurse of the year for 2012-2013.

We wish to thank our consumers, customers, suppliers, partners and employees. We are gratified for the confidence and support of our shareholders and we remain committed to increasing shareholder value.

Notes To The Financial Statements

SIX MONTHS ENDED SEPTEMBER 30, 2012

1. BASIS OF PREPARATION

These financial statements have been prepared in accordance with and comply with International Financial Reporting Standards (IFRS), and have been prepared under the historical cost convention, as modified by the revaluation of certain fixed and financial assets. They are also prepared in accordance with the provisions of the Jamaican Companies Act.

The preparation of financial statements to conform to IFRS requires management to make estimates and assumptions that affect the reported amounts of the assets and liabilities, contingent assets and contingent liabilities at the end of the reporting period and the revenue and expenses during the reporting period. Actual results could differ from those estimates. The estimates are reviewed on an ongoing basis and any adjustments that may be necessary would be reflected in the year in which actual results are known.

The accounting policies followed in these interim financial statements are consistent with those used in the audited financial statements for the year ended 31st March 2012.

These financial statements are presented in Jamaican dollars unless otherwise indicated.
