Dear Mr. Graham:

Re: Publication of Audited Accounts

Radio Jamaica Limited wishes to advise that further to its Notice on May 30 of a delay in the publication of its year end accounts for March 31, 2016, shareholders are being informed that publication is now expected within the next 30 days.

The delay has been occasioned by the closeness to the year end of the completion of the RJR transaction with 1834 Investments Limited (formerly the Gleaner Company) under which RJR acquired and must consolidate the new subsidiary, Gleaner Company (Media) Limited, (GCML) while ensuring that all the professional standards are adhered to and the usual financial integrity achieved.

The company apologizes for the inconvenience caused but assures shareholders that the reliability of our financial information is what is being kept paramount.

Yours faithfully,

Gary Allen
Chief Executive Officer
