UNAUDITED QUARTERLY FINANCIAL REPORT

July - September 2017

LASCO FINANCIAL SERVICES LIMITED

2nd Quarter July – September 2017

The Board of Directors of LASCO Financial Services Limited (LFSL) is pleased to present the Second Quarter unaudited financial results.

SIX MONTHS PERFORMANCE HIGHLIGHTS

715.2 million dollars in Income

Up 34% percent over the corresponding six months period in 2016
An increase of 182.4 million dollars

208.8 million dollars Profit from Operations

Up 67.8 percent over 2016 corresponding period

166.7 million dollars Net Profit for the period

Up 66% percent over 2016 corresponding period

0.1329 dollars Earnings per share (EPS)

For the Quarter ended September 30, 2017, LASCO Financial Services Limited (LFSL) generated \$395.9M in revenues. This result represents a 46% growth over the previous quarter and is the manifestation of the previous year's strategy of expansion. Income from core services grew 41% whereas Other Income grew by over 400%; an increase in commissions and fees is the major contributor to this growth. Profit from operations for the quarter grew by over 130% as expenses showed only a 24% increase. Net Profit closed the quarter at \$99.8M, an increase of 135% compared with \$42.4M of the corresponding 2016/17 period.

At six months of operation for the 2017/18 Financial Year, revenues grew by 34% whilst expenses grew by 24%. The second quarter revenues normally benefit from increased summer transactions, but this year in particular the investments in expansion which were put in place from the previous year began yielding the intended results. Additionally, there are new revenue streams in place this year which were not in place in the previous year, namely, our Montego Bay full service branch and new additions to our agent network. The brand awareness created from the LASCO Money Campaign which was launched in late 2016/17 also made a fair contribution to the increase in revenues.

We anticipate that revenues will continue to grow in accordance with our expectations based on current growth strategies employed.

LASCO FINANCIAL SERVICES LIMITED

2nd Quarter July – September 2017

BALANCE SHEET HIGHLIGHTS

	Q1 2017	Q1 2016
	\$'000	\$'000
CASH & SHORT TERM DEPOSITS	480.7	672.8
LOANS & RECEIVABLES	1,013	551
TOTAL ASSETS	1,760	1,434

Cash on hand decreased by 28% largely as a result of the expansion in the loans portfolio, the general business expansion in property plant and equipment and dividends of \$53M paid in the quarter for the previous financial year. Total assets increased by 23% over the corresponding period and 13% for the current financial year. Our loans portfolio now represents 26% of total assets and is growing in accordance with our planned strategies.

The Company participated in a number of corporate and marketing events locally and in the US diaspora during the Quarter, including the major sponsorship of the SDC Community Cricket annual competition and Festival Queen Competition. We also benefited from several PR exposures over the period; the Montego Bay Branch was formally launched with much fanfare including the inauguration of our Mic Drop competition.

We thank you for your continued support and investment in our shares. Thanks to our team, agents and customers and to our Board of Directors, management and key stakeholders.
