

Second Quarter 2018 Interim Report to our Shareholders

The Directors of Margaritaville (Turks) Ltd. are pleased to present the unaudited results of the company for the Second Quarter ended November 30, 2017. Revenue for the Quarter was US\$ 390,044 (November month only), compared to US\$ 1.20 million in the same Quarter in the prior year. The location experienced two Category 5 Hurricanes during the early days of September, days apart. This not only devastated the location (at the Grand Turk Cruise Port) but the entire Island.

Damage to property caused closure of the location for the rest of September and the entire month of October. It was with the focus and dedication of the team on location and the logistic support of Carnival Corporation that we were able to bring the location back to functionality in the first week of November. We welcomed the first ship after the Hurricane on November 1, 2017.

Total passenger count for the Quarter was 57,939 passengers (November month). As a result of the reduced revenues, the company returned a net loss of US\$ 62,725.

Revenue for the half year was US\$ 2.25 million compared to US\$ 2.81 million for the same period in the prior year. This resulted in Net Profit of US\$ 233,686 compared to US\$ 177,770 for the prior year. The improved position was due to the first Quarter's performance.

Cost of sales ratio of 27.32% for the Quarter improved marginally compared to the 27.35% for the prior year Quarter. The management team has done a great job in containing the exposure to product loss from spoilage as a result of the loss of electricity associated with the Hurricane. At the end of November, electricity had still not been restored to normality in Grand Turk. Cost of Sales for the year to date at 26.20% is improved compared to the 26.54% returned in the prior year to date.

The company has expended US\$ 67,348 to date on planned Fixed Assets acquisition during the half year. US\$ 298,697 was expended for the same period in the prior year.

The company was adequately covered for both property and consequential loss insurance. We have received interim payments towards both categories. We expect to finalize the claims process by the close of the third Quarter.

We thank our shareholders and partners for their continued support and confidence.
