"Enabling Continuing Professional Education for the Financial Services Industry"

Jamaica Stock Exchange Online Securities Course

The JSE through its e-Campus is now offering the foundational Securities Course for persons working in the financial sector and individuals interested in understanding the fundamentals that drive the financial services industry. The Securities Course is considered a must-do for persons working in the financial sector and the JSE, as a leader in the financial sector, has designed an online Securities Course to satisfy the necessary criteria for knowledge, training and certification of professionals in the industry. The JSE's instructional course on securities is designed to enhance your understanding and help you successfully maneuver the securities market.

Successful completion of the Securities Course is considered to be compulsory because of its many benefits. It helps participants to have a firm grasp of the financial sector, opens doors to careers in brokerage firms, mutual fund companies, banks, financial planning firms, wealth management companies and other providential areas in the financial services industry.

Who Should Attend

- ✓ All individuals working in the financial sector
- ✓ All individuals who aspire to work in the financial sector
- ✓ Equity and fixed income investors
- ✓ Anyone interested in learning how to invest in the securities market
