MISSION

To manufacture packaging materials at the highest standard and to sell at the lowest price and maintain a reputation of being a viable alternative for imported packaging.

QUALITY POLICY

AMG Packaging & Paper Company Ltd. is committed to implementing and continually improving the effectiveness of our Quality Management System through providing products that satisfy our customers' needs and expectations. We are committed to satisfying all applicable statutory and regulatory requirements. We achieve this through our cadre of competent staff, effective communication and team work.

VISION

To be the best manufacturing company of corrugated cardboard boxes who understands and satisfies the product quality and expectations of our valued clientele.

CHAIRMAN'S STATEMENT

On behalf of the Board of Directors of AMG Packaging and Paper Company Limited, I welcome this opportunity to report on the performance of the Company for the financial year ended August 31, 2018.

In 2017-18, revenue grew by about 8%, a positive result particularly in the context of the closure of the Company's toilet paper manufacturing operations.

The closure of the Company's toilet paper manufacturing operations resulted in net operational loss of $61.6 million in addition to a revaluation adjustment of $6.498 million from discontinued operations, and negatively impacted total comprehensive income, which decreased from $106.4 million in 2016-17 to negative $29.8 million in 2017-18.

The loss recorded as a result of discontinuing the toilet paper operations is a non-recurring item.

In 2017-18 AMG focused on consolidating its operations and on increasing efficiency.

The Company successfully met the requirements for ISO 9001:2015 certification during the year, transitioning to the new standard from the previously held ISO 9001:2008 certification.

We hope that the new financial year will be one in which we start to reap the rewards of the re-organisation and of the renewed focus on the box-manufacturing operations. The Company recently took an option to purchase an adjoining property. If the transaction is completed, the additional space will be used to alleviate some of the space constraints in the existing facility, making operations more efficient.

On behalf of the Board of Directors, I wish to take this opportunity to thank our customers and shareholders for their loyalty and support, and to express my gratitude to the members of the AMG management team and to the entire staff complement, without whose continued hard work the company would not exist.

Lastly, I wish to recognise the members of the Board for their support and their contribution, as we work together to improve the Company's performance.

Barrington Chisholm
Chairman

MANAGING DIRECTOR'S STATEMENT

AMG Packaging & Paper Company Limited (AMG) presents our Audited Financial Statements for the 12 month period ending August 31, 2018.

- Revenues for the period to August 31, 2018 increased 8.88%, moving from $660.25 million (2017) to $718.91 million (2018).
- Manufacturing Costs increased 14.04% moving from $487.27 million (2017) to $555.69 million (2018).
- Administrative Expenses increased 3.13% when compared to the previous year.
- Profit before Tax for the 12 month period showed a decline of 7.38% when compared to the previous year.

Continuing Operations:

	12 months ending Aug. 31, 2018	12 months ending Aug. 31, 2017
Total Revenues	718,914,950	660,250,612
Gross Profit	163,220,657	172,979,803
Profit Before Tax	43,098,661	46,537,186
Total Assets	747,006,347	688,941,589

MANAGING DIRECTOR'S STATEMENT

Discontinued Operations:

The discontinued activity of the Toilet Paper division resulted in a net loss of $68.06 million dollars. This is a non-recurring charge.

Summary:

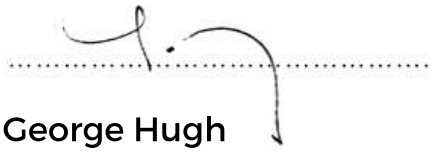
It was another challenging year for AMG. As previously reported, the Toilet Paper operations were discontinued within the financial year.

Despite a 9% increase in revenues, gains were eroded by dramatic increases in paper prices throughout the year. Paper prices increased 30% to 40% throughout the period. The devaluation of the Jamaican dollar also had a negative effect on the company's overall results.

Management has taken steps to pass on the some of the increases from raw material costs.

Our paper suppliers have indicated some stability returning to the market towards the end of the financial year.

AMG Packaging & Paper successfully transitioned to the new ISO 9001:2015 Quality Management System within the year.



George Hugh
Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS

The following discussion provides an analysis of the operating results and financial position of AMG Packaging and Paper Company Limited ("the Company") for the year ended August 31, 2018.

This Management's Discussion and Analysis ("MD&A") should be read in conjunction with the Company's audited financial statements for the years ended August 31, 2018 and 2017.

The Company's financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") and the Jamaican Companies Act.

The significant accounting policies upon which these consolidated financial statements have been prepared are detailed in Note 4 of the Company's audited consolidated financial statements.

Performance Summary

CONTINUING OPERATIONS

The results for the Financial Year ending August 31, 2018 shows an 8% increase in revenues moving from $660.25 million (2017) to $718.92 million (2018).

Cost of Sales increased by 12%, moving from $506.26 million to $567.93 million.

Gross Profit decreased from $153.99 million to $150.98 million.

Net Income before taxes decreased by 13%, moving from $51.1 million (2017) to $44.4 million (2018).

Gains were eroded by dramatic increases in paper prices throughout the year. Paper prices throughout the period increased from between 30% to 40%.

The devaluation of the Jamaican Dollar also had a negative impact on the Company's overall results.

MANAGEMENT DISCUSSION AND ANALYSIS

Cash Flow And Balance Sheet

AMG's Balance Sheet shows a cash increase of 164% closing at $46.67 million from $17.67 million. Receivables for the period reduced by 4.93%.

The balance sheet also shows a reduction in Non-Current Assets from $388.87 million to $328.66 million mainly due to the discontinued Toilet Paper operations.

Non-Current Liabilities reduced from $106.3 million to $86.75 million, while current liabilities increased by $107.29 million. This is directly related to the increase in inventories.

Awards 2018

AMG successfully transitioned to the new ISO 9001:2015 Quality Management System within the period.

The staff compliment was given Fire Drill & Safety Training. The Training consist of both theoretical and practical elements. The theoretical aspects included:

- Fire signs which entails chemistry of combustion
- Detailed analysis of the components of a fire
- Required elements for the extinction of a fire
- Evacuation procedures
- First Aid
- How to use fire-fighting Equipment's
- First Aid Lifts and Carries

In the practical exercise staff were given the opportunity to demonstrate PASS Technique (Pull, Aim, Squeeze, and Sweep) in putting out a fire.

Upon completion, staff members were given a certificates of participation.

MANAGEMENT DISCUSSION AND ANALYSIS

Corporate Governance

As our Quality Policy states, AMG is committed to continually improving the effectiveness of our Quality Management System.

This also reflects in our Corporate Governance Policies as we continually seek ways to improve the trust and relationships we share with our stakeholders.

Our Corporate Governance policies can be viewed on our website.

Risk Management

Principles for inspiring confidence in our customers and other stakeholders include risk-based approach to management which take into account the risks associated with providing products that satisfy our customers' needs and expectations. Risks may include, but are not limited to, those associated with:

- the company's objectives,
- legal regulatory and liability issues
- operating environment
- health and safety of employees and other stake holders on our premises
- perception of interested parties

Top management reviews any residual risk to determine if it is within the level of acceptable risk. The risk assessment process includes identification of and consultation with interested parties.

AMG evaluates the risks arising from its operating processes and has adequate arrangements (e.g. insurance) to cover liabilities arising from its operations and the geographic area in which we operate.

AMG evaluates its finances and sources of income and demonstrate that initially, and on an ongoing basis, commercial, financial or other pressures do not compromise its activities regularly.

Top management's decision to pursue business opportunities is based on potential consequences related to how additional resources will be dedicated.

MANAGEMENT DISCUSSION AND ANALYSIS

Future Plans

The Company is in the process of negotiating for the acquisition of a nearby property with the intent of expanding its' facilities to reduce somewhat the space constraints that presently exists.

HUMAN RESOURCES

At AMG we believe that our employees are our most valuable resource and we do our best to help them achieve their full potential through continual education and training.

Competence, Training, and Awareness

The competency of people assigned responsibilities defined in the Quality Manager System QMS is determined on the basis of documented criteria for appropriate education, training, skills, and experience for each required competency or work assignment. We determine competency needs, including employee training and awareness needs, through the following actions:

Top Management identifies emerging competency needs during management reviews. Emergent competency needs are converted into job descriptions for the type and number of positions that need to be filled through external recruitment, internal reassignment/promotion, and/or outsourcing actions.

The HR Personnel, with input from responsible managers, evaluates and qualifies applicants for specific job openings on the basis of documented or demonstrated competencies. Where possible, we help existing employees qualify for new/changed jobs through the provision of appropriate education and training, including on-the-job-training (OJT). The HR Personnel, with input from responsible managers, establishes and maintains job descriptions for each position held at AMG, to document the specific competencies needed to ensure the quality of AMG's products and services.

Provision

Training needs identified as a result of the need determination activities discussed above are passed on to the HR Personnel for appropriate planning and timely provision.

HUMAN RESOURCES

Effectiveness

We evaluate the effectiveness of all actions taken to meet competency needs. Training provided is evaluated through immediate feedback from the employee and the manager, officer, or supervisor who identified the training requirement. Training effectiveness is collected and documented by the responsible manager for each training event. The HR Personnel, with input from other responsible managers, monitors and measures the overall effectiveness of training and other actions taken to meet competency needs and provides related recommendations to Top Management for review and action.

Employee Awareness

We ensure that our employees are aware of customer requirements, of the relevance and importance of their activities and how they contribute to the achievement of our Quality Policy and Objectives. This is accomplished through awareness training, employee performance reviews and employee participation in our internal audit and improvement processes.

Records

We maintain appropriate records of education, training, skills and experience in accordance.Employee qualification/competency review records and annual performance review results are maintained by the HRPersonnel. The HR Personnelmaintains records of all training completed.

HUMAN RESOURCES

The staff complement was given Fire Drill & Safety Training on March 14, 2018. The Training consisted of both theoretical and practical elements. The theoretical aspects included:

- Fire signs which entails chemistry of combustion
- Detailed analysis of the components of a fire
- Required elements for the extinction of a fire
- Evacuation procedures
- First aid
- How to use fire-fighting equipments
- First aid lifts and carries

In the practical exercise, staff members were given the opportunity to demonstrate the PASS Technique (Pull, Aim, Squeeze, Sweep) for putting out a fire.

Upon completion, staff members were given certificates of participation.

Independent Auditor's Report

To the Members of AMG Packaging and Paper Company Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of AMG Packaging and Paper Company Limited ("the Company") set out on pages 5 to 33, which comprise the statements of financial position as at August 31,2018, the statements of profit or loss and other comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising significant accounting policies and other explanatory information.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at August 31,2018 and of financial performance and cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRS), and the Jamaican Companies Act.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants Code of Ethics for Professional Accountants (IESBA Code) and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. There were no key audit matters during this reporting period.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the Board of Directors

Responsibilities of Management and the Board of Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with IFRS and the Jamaican Companies Act, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is included in the Appendix of this auditor's report. This description, which is located at page 4, forms part of our auditor's report.

Report on additional matters as required by the Jamaican Companies Act

We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit. In our opinion, proper accounting records have been maintained, so far as appears from our examination of those records, and the financial statements, which are in agreement therewith, give the information required by the Jamaican Companies Act, in the manner required

The engagement partner on the audit resulting in this independent auditor's report is Worrick Bogle.

Appendix to the Independent Auditor's report

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's/Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that presents a true and fair view.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED AUGUST 31, 2018

1. Reporting entity

AMG Packaging & Paper Company Limited was incorporated on the 26th of September 2005, under the Jamaica Companies Act and is a wholly owned Jamaican private company.

Its registered office is located at 9 Retirement Crescent, Kingston 5. The Company was re-registered in July 2011 under the Companies Act 2004 as a public company. During the 2015 reporting period the company added an additional location for their toilet paper factory at 186 Orange Street, Kingston

For main activities see note 23.a under segment reporting.

2. New and revised IFRSs in issue but not yet effective

The Company has not applied the following new and revised IFRSs that have been issued but are not yet effective and the company has not opted for early adoption

IFRS 17	Insurance Contracts[3]
Amendments to IFRS 1 and IAS 28	Annual Improvements to IFRSs 2014-2016 Cycle-various standards. [1]

[3]Effective for annual periods beginning on or after 1 January 2021.

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED AUGUST 31, 2018

3. Application of new and revised International Financial Reporting Standards (IFRSs) effective January 1, 2017

a. IAS 12 – Income Taxes

This amendment implements a comprehensive balance sheet method of accounting for income taxes which recognises both the current tax consequences of transactions and the future consequences of future recovery or settlement of the carrying amount to the company's assets and liabilities.

Differences between the carrying amount and the tax base of assets and liabilities, and carried forward tax losses and credits, are recognised, with limited expectations, as deferred tax liabilities or deferred tax assets, with the latter as also being subject to a probable profits test.

b. IAS 7 – Statement of Cash Flows

This amendment clarifies that as of January 2017, entities will be required to explain changes in their liabilities arising from financing activities. This includes changes arising from cash flows (e.g drawdowns and repayments of borrowings) and non-cash changes such as acquisitions, disposals, accretion of interest and unrealised exchange differences.

The company has assessed that the amendment does not impact it, as all movement within the financing activities are all cash transactions and are broken out appropriately on the Statement of Cashflows

4. Summary of significant accounting policies

a. Statement of compliance

These financial statements have been prepared using the historical cost convention which is in accordance with the International Financial Reporting Standards (IFRS).

b. Reporting currency

These financial statements are presented in the Jamaican dollars, which is the functional currency of the Company.

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED AUGUST 31, 2018

4. Summary of significant accounting policies

c. Basis of preparation

These financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair value as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

In addition, for financial reporting purposes, fair value measurement are categorised into level 1,2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date.

Level 2 inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

d. Property, Plant and Equipment (IAS 16)

This standard shall be applied in accounting for property, plant and equipment except when another standard requires or permits a different accounting treatment.

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if:

(a) It is probable that future economic benefits associated with the item will flow to the entity; and

(b) The cost of the item can be measured reliably

Items of property, plant and equipment may be acquired for safety or environmental reasons. The acquisition of such property, plant and equipment, although not directly increasing the future economic benefits of any existing item of property, plant and equipment, may be necessary for an entity to obtain the future economic benefits from its other assets. Such items of property, plant and equipment qualify for recognition as assets because they enable an entity to derive

d. Property, Plant and Equipment (cont'd)

future economic benefits from related assets in excess of what could be derived had those items not been acquired.

An item of property, plant and equipment that qualifies for recognition as an asset shall be measured at its cost.

An entity shall choose either the cost model or the revaluation model as its accounting policy and shall apply that policy to an entire class of property, plant and equipment.

This company uses the revaluation model for land and buildings and Equipment and the cost model for the other classifications as its measurement of recognition.

Revaluation

After recognition as an asset, an item of property, plant and equipment whose fair value can be measured reliably shall be carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Revaluations shall be made with sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

When an item of property, plant and equipment is revalued, the carrying amount of that asset is adjusted to the revalued amount. At the date of the revaluation, the asset is treated in one of the following ways:

(a) the gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after considering accumulated impairment losses; or (b) the accumulated depreciation is eliminated against the gross carrying amount of the asset

After recognition as an asset, an item of property, plant and equipment shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

The depreciation charge for each period shall be recognised in profit or loss unless it is included in the carrying amount of another asset.

YEAR ENDED AUGUST 31, 2018

4. Summary of significant accounting policies (cont'd)

d. Property, Plant and Equipment (cont'd)

This Company recognises depreciation under the expense heading of "depreciation."

The depreciable amount of an asset shall be allocated on a systematic basis over its useful life.

The depreciation method used by the company is the straight-line basis and is designed to write off the assets over its useful live.

Computer	20%
Furniture & fixtures	10%
Machinery and equipment	10%
Buildings	2.5%
Motor vehicle	12.5%

Repairs and maintenance expenditures are charged to the profit or loss in the statement of comprehensive income during the financial period in which they are incurred.

e. **Inventories**

Inventories are stated at the lower of cost and net realizable value. Costs of inventories are determined on a first-in-first-out basis. Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

f. Trade and other receivables

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost, less any appropriate provision for estimated irrecoverable amounts. A provision is established for irrecoverable amounts when there is objective evidence that amounts due under the original payment terms will not be collected.

g. Cash and cash equivalents

Cash and cash equivalents are held for the purposes of meeting short term commitments rather than for investments or other purposes. For an investment to qualify it must be convertible to a known amount of cash and be subject to an insignificant risk of changes in value. An investment normally qualifies as a cash equivalent when it has a short maturity of 3 months or less from the date of acquisition.

h. Share capital

Ordinary Shares

Incremental costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity. Income tax relating to transaction costs of an equity transaction is accounted for in accordance with IAS 12 *(Taxation)*.

i. Loans

Loans are initially recognised at the fair value of the proceeds, net of related transaction costs. These transaction costs, and any discount or premium on issue, are subsequently amortised under the effective interest rate method through the income statement as interest over the life of the loan.

j. Related Party Disclosures

The objective of this Standard is to ensure that an entity's financial statements contain the disclosures necessary to draw attention to the possibility that its financial position and profit or loss may have been affected by the existence of related parties and by transactions and outstanding balances, including commitments, with such parties.

A **related party** is a person or entity that is related to the entity that is preparing its financial statements (in this Standard referred to as the 'reporting entity').

(a) A person or a close member of that person's family is related to a reporting entity if that person:

(i) has control or joint control of the reporting entity;
(ii) has significant influence over the reporting entity; or

(b) An entity is related to a reporting entity if any of the following conditions applies:

(i) The entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
(ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).
(iii) Both entities are joint ventures of the same third party.
(iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity
(v) The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity.

NOTES TO FINANCIAL STATEMENTS
YEAR ENDED AUGUST 31, 2018

4. Summary of significant accounting policies (cont'd)

j. Related party disclosures (cont'd)

If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity.

(vi) The entity is controlled or jointly controlled by a person identified in (a).

(vii) A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).

(viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

A **related party transaction** is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged

k. Trade Payables

Trade payables are initially measured at fair value less any directly attributable transaction costs. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method.

l. Foreign currency

In preparing the financial statements of each individual group entity, transactions in currencies other than the entity's functional currency (foreign currencies) are recognized at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date

Exchange differences arising on transactions are recognised in the income statement under "Other Income".

YEAR ENDED AUGUST 31, 2018

4. Summary of significant accounting policies (cont'd)

m. Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced for allowances.

Sale of goods

Revenue from the sale of goods is recognized when the goods are delivered, and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Interest Income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

n. Taxation

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit or loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for:

– temporary differences on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss;

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED AUGUST 31, 2018

4. Summary of significant accounting policies (cont'd)

Taxation (cont'd)

Deferred tax (cont'd)

– temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
– taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax assets are recognised for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. Future taxable profits are determined based on business plans Company and the reversal of temporary differences. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realised; such reductions are reversed when the probability of future taxable profits improves.

Unrecognised deferred tax assets are reassessed at each reporting date and recognised to the extent that it has become probable that future taxable profits will be available against which they can be used.
Deferred tax is measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities. For this purpose, the carrying amount of investment property measured at fair value is presumed to be recovered through sale, and the Company has not rebutted this presumption.

Deferred tax assets and liabilities are offset only if certain criteria are met.

5. Financial Instruments: Disclosures

This standard requires disclosure of information about the significance of financial instruments to an entity, and the nature and extent of risks arising from those financial instruments, both in qualitative and quantitative terms. Specific disclosures are required in relation to transferred financial assets and a number of other matters.

a. Financial risk management

i. Interest rate risk

Interest rate risk is the risk of loss from fluctuations in the future cash flows or fair values of financial instrument because of a change in market interest rates. It arises when there is a mismatch between interest-earning assets and interest-bearing liabilities which are subject to interest rate adjustments within a specified period. It can be reflected as a loss of future net interest income and or a loss of current market values. Interest rate risk is managed by holding primarily fixed rate financial instruments.

At the reporting date, the interest rate profile of the company's interest bearing financial instruments was:

5. Financial Instrument disclosures (cont'd)

a. Financial risk management (cont'd)

ii. Credit risk

Credit risk is the risk of financial loss to the company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises primarily from the company's investment securities, loans receivable, receivables from customers, and from resale agreements. There is also credit risk exposure in respect of instruments such as loan commitments and guarantees which may not be stated on the Statement of Financial Position. They expose the Company to similar risks as loans and are managed in similar manner

	2018 $	2017 $
Financial assets		
Cash and bank balances	35,316,144	7,771,402
Loans and receivables (including trade receivables balance)	111,879,602	110,443,675
Available-for-sale financial assets	11,355,633	9,900,128
Financial liabilities		
Amortized cost (including trade payables balance)	292,177,863	204,265,818

At the end of the reporting period, there are no significant concentrations of credit risk for loans and receivables designated at FVTPL. The carrying amount reflected above represents the company's maximum exposure to credit risk for such loans and receivables.

iii. Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in meeting obligations for its financial liabilities. The company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due under both normal or stressed conditions. Prudent liquidity risk management which the company uses includes maintaining sufficient cash and marketable securities.

For this purpose, liquid assets include cash and bank balances, and resale agreements which are readily converted into cash within three months.
