

SSL Venture Capital Jamaica Limited - Corporate Advisory - June 10, 2019

SSL Venture Capital Jamaica Limited (“SSL Ventures”) advises that it intends to provide funding to two (2) Companies and has signed two (2) Term Sheets with the principals of these Companies, setting out the intended terms of these transactions. It is intended that these transactions will be finalized, and final agreements executed, within the next thirty (30) days.

The Companies involved in these transactions are (1) Radiant Energy Co. Ltd. (“Radiant”) and (2) Alpha Imaging Ltd. (“Alpha”).

The Radiant transaction involves SSL Ventures lending specified sums to Radiant to be repaid by the end of a 9-month period. If not repaid at the end of this period, SSL Ventures will have the ability to obtain a 30% ordinary equity stake in Radiant.

The Alpha transaction involves SSL Ventures acquiring a 20% ordinary equity stake in Alpha.

At the closing of each respective transaction, a further advisory will be disclosed, giving details on the financial instruments used and the consideration given.
