Chairman's Report to the Shareholders
Second Quarter Ended June 30th, 2019

Dear Shareholders,

On behalf of the board of directors, I am pleased to present the second quarterly Report of MPC Caribbean Clean Energy Limited (**the Company**) for the quarter ended June 30th, 2019.

In this quarter almost all outstanding liabilities to affiliated companies have been paid. This was seen as the next milestone as it indicates the completion of the initial set-up phase.

The asset, Paradise Park was successful in achieving various construction milestones. On May 26th, 2019 it surpassed the minimum standards to be acceptable by the grid operator in order for the park to be connected to the network. Then the commissioning and testing of the whole plant was successfully completed, affording it with the ability to begin producing electricity on June 6th, 2019. At the end of the month of June, the Jamaica Public Service (JPS) company, the grid operator and the off-taker with whom the asset has the Power Purchase Agreement (PPA) accepted the park to be commercially operational. This acceptance begins the invoicing of all kilo-Watt(kW) hour produced up to 37 MW AC, consequently, an invoice was issued for the power produced and transported to JPS for the month of June. It is noteworthy to mention that the construction of the asset was completed on budget and on-schedule on June 23rd, 2019.

In this quarter, significant asset-related events occurred which indicate the growth and development of the Fund. It is also noteworthy to mention that the acquisition of Tilawind was concluded on April 26th, 2019, which also triggered the completion of transfer to a new asset manager. This has been a good year for wind resources in the region where the Tilawind wind farm is located. Due to more hands-on management of the new asset manager, coupled with higher wind resources, Tilawind exceeded its forecasted operational and financial performance materially for the first half of this year.

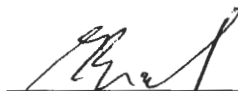

On June 17th, 2019, the Company conducted its Annual General Meeting and it was held in Bridgetown, Barbados.

Thus far the progress of the Company and its investment in the Fund meets all expectations and are looking promising to the third quarter of 2019.

I thank our shareholders and my fellow directors for their support and trust during this period.

On behalf of my fellow directors we wish you and yours a very pleasant and safe summer.

Respectfully Yours,
For and on behalf of the Company

Gerard A. Borely
Chairman of the Board of Directors
