
SSL Venture Capital Jamaica Limited - Corporate Advisory - August 12, 2019

Per the advisory to the public on June 19, 2019 of the change of the Company's year end to June 30, 2019, the Board of Directors of SSL Venture Capital Jamaica Limited ("SSLVC" or the "Company") wishes to advise that pursuant to Jamaica Stock Exchange ("JSE") Junior Market Rules Amendment Part 4(1), (a)(ii), the Company has elected to exercise its option to submit its fourth quarter audited financial statements for the period ending June 30, 2019 within 90 days of the end of the quarter.

Further, the Company wishes to advise that the fourth quarter unaudited financial statements which must be submitted within 45 days at the end of such quarter will be delayed due to adjustments to be made to the financial records for the period January through to June 2019.

We anticipate that the unaudited financial statements will be submitted on or before August 20, 2019. We note that this delay will not impact the submission of the annual audited financial statements for the period ending June 30, 2019 as per the above advisory. A Notice will be placed on or before August 14, 2019 in the Jamaica Observer.

Due to the delay of the unaudited financial statements, we do not expect to meet the August 14, 2019 deadline to relist the Company's shares on the stock exchange and have requested an extension of the voluntary suspension of trading from August 14, 2019 to September 30, 2019 at which time both the unaudited and the audited financial statements as at June 30, 2019 would have been published.

We would like to thank all our shareholders for their continued co-operation.
