REPORT TO THE SHAREHOLDERS

For six months ended September 30, 2019

The Board of Directors of the Company is pleased to present the unaudited results for the six months ended September 30, 2019.

For the three months ended September 30, 2019 revenue grew by 13% while net profit declined by 4% over the corresponding period last year. Though net profits are still down versus the prior year, we have arrested much of the 30% profit decline we saw in the first quarter, holding true to our plan for diminishing the impact of the one-off expenses incurred in quarter one on future months. We will continue to aggressively drive the business forward to deliver improved profits above that of the prior year in the ensuing quarters. We have secured three additional suppliers for our Pharmaceutical division and expect material gains in performance from the incremental business. The Consumer division through the increased marketing and sales initiatives will continue to expand distribution and market share gains for the business and is poised to launch new products categories and expand our beverage offerings in line with emerging consumer tastes to continue the explosion of growth of our liquid business. These exciting new introductions will deliver incremental sales to the business as well as add to the diversity of the already exciting LASCO stable of affordable high-quality products.

For the six months ended September 30, 2019 revenues grew to \$9.4 billion, or 7% more than the corresponding period last year. Gross profit closed at \$1.9 billion or 7% more than the corresponding period last year, while gross margin ratio remained stable at 20% when compared with prior year. Total operating expenses were \$1.5 billion, an increase of 10% compared to the corresponding period last year. For the second quarter, the Company achieved net profits of \$385.6 million, a 17% decline over the corresponding period last year, a significant reduction versus our first quarter and evidence that our profit trajectory going into the rest of the financial year is very positive. The six months comparative decline in profit was heavily attributable to the restructuring expenses and legal fees associated with ongoing matters including the Pfizer case and investments in our route to market.

At the end of the second quarter, the Company's non-current assets stood at \$2.1 billion, an increase of \$349.6 million or 20% over the corresponding period last year. This increase resulted from investment in equipment and warehouse infrastructure. Inventories decreased by 2% over prior year to close at \$2.5 billion. Trade receivables increased by 9% compared to prior year, to close at \$2.1 billion while trade payables decreased by 6% to close at \$3.3 billion. Cash and short-term Investments, taken together, closed the period at \$1.6 billion compared to \$1.7 billion for the same period last year. Total loans owing at the end of the period was \$300 million compared to \$213.3 million in the previous year. The loans were used to assist with infrastructural implementation such as new racking for the warehouse.

At the end of the second quarter, total shareholders' equity was \$5.4 billion, which was \$398.8 million or 8% over the prior year.

An interim dividend of \$0.043 per share totaling \$151 million was paid on July 18, 2019 to shareholders on record at the close of business at July 04, 2019.

LASCO Distributors Limited continues to lead the way in recognizing our public workers for their hard work and dedication to building a better Jamaica. We believe that the continued increased investment in supporting the development of Jamaica for all Jamaicans and in July 2019, Keisha Riley-Harrow of the Spanish Town Hospital, received the Nurse of the year and Tacquise Campbell was awarded Student Nurse of the year at the annual awards ceremony. We will continue to highlight the awardees of our yearlong programs across the many areas of Jamaican life where we give back to the nation that has built this great company.

We would like to thank all our customers, shareholders and team members for their continued invaluable support during this period and look forward to further even greater successes.

Hon. Lascelles Chin, O.J., C.D.
