### **GWEST CORPORATION LIMITED**

### DIRECTOR'S REPORT

### FOR THE FIRST QUARTER ENDING JUNE 30, 2020

The Board of Directors of Gwest Corporation Limited is pleased to present the company's unaudited financial statements for first quarter ending June 30, 2020.

The results for the quarter showed a net loss of \$16.71M compared to \$20.76M for the corresponding quarter ending June 30, 2019.

### Revenue

For the quarter ending June 30, 2020 Gwest Corporation Limited recorded total revenues of \$24.16M. This represents a decrease of \$8.98M or a 26% reduction over the corresponding quarter in the prior year. Revenue was mainly impacted by a 54% reduction in patient fees during the quarter. The reduction in patient fees was mainly due to the Covid 19 Pandemic, which resulted in stay-at-home orders, business closures and reduced operating hours.

Rental and lease income increased by 4% over the corresponding quarter in the prior year. During the quarter we finalized a new lease agreement for 8,000 sq. ft. of office space.

### Expenses

For the quarter ending June 30, 2020, total expenses was \$44.08M compared to \$54.17M in corresponding quarter of the prior year. This represents a decrease of \$10.09M or a 19% decrease year over year.

This decrease was due to a \$6.92M or 19% reduction in administrative expenses. Cost of sales remains the same as in the previous quarter. Finance costs decreased by \$3.24M due to the pay-down of our our loan balances.

Effective April 1, 2019, IFRS 16 became effective for the Company and replaced the previous lease standard IAS 17 which recognized operating leases as expenses. Adoption of IFRS 16 recognizes our long term leases as "Right-of-Use Assets", thus increasing our asset balances and thereby our depreciation charges.

### **Financial Position**

Total assets as at June 30, 2020 was \$1.63 Billion a decrease of \$100M. The main contributing factor for the decrease in total value of our balance sheet was due to the sale of investment property during the period.

Current assets increased by \$13.02M over the previous quarter due to an increase in receivables and our cash balances.

Our borrowings inclusive of loans and lease commitment declined by \$78.86M over the corresponding quarter in the prior year due to pay-down of loan balances from cash received from sale of investment property as per our agreement with National Commercial Bank.

Our Cash Balances increased from \$14.47M the previous quarter to \$87.58M this quarter.

Total shareholder equity was \$651.34M as at June 30, 2020. This represents a \$43.45M reduction over the previous quarter.

### Outlook

The World Health Organization declared the novel Coronavirus (COVID-19) outbreak a pandemic on March 11, 2020 and the Government of Jamaica declared the island a disaster area on March 13, 2020. The pandemic and the measures to control its human impact have resulted in disruptions to economic activity, business operations and asset prices.

We have instituted measures at our property to safeguard and protect our stakeholder's businesses, partners and clients. We have implemented a Tele-medicine platform which will allow customers to access our services remotely where applicable. Management has also implemented cost cutting measures in line with the reduction in business activity.

These and other initiatives are intended to contain the financial impact should a continued reduction in business activity occur due to the COVID-19 crisis. The company is assessing the situation as part of its business continuity and contingency planning.

We are in the final design stages of our Surgery Centre and In-Patient unit and expect that these will be operational by January 2021. We continue our efforts in selling and leasing of our investment properties to increase our revenues and reduce the drag on our expenses.

We also continue to analyze and review our offerings and seek out joint venture opportunities and acquisitions to increase revenues and widen our service offerings where possible.

The management and Board will continue to pursue a strategy of revenue enhancement, and cost containment as we remain committed to increasing shareholder value.

The Board of Directors wish to thank our all our stakeholders including our patients, lessees, management staff and suppliers for their ongoing support and assistance in our continued effort in growing the company. We would also like to thank our shareholders for their patience and support while we work to bring your company into profitability and generate the shareholder value that you deserve
