

Tree of Knowledge Provides Update on Filing of Financial Statements and MD&A and Officer Changes

Toronto, Ontario, August 31, 2020 – Tree of Knowledge International Inc. (CSE: TOKI) (the "**Company**") would like to provide an update on the status of the filing of its financial statements, accompanying management discussion and analysis and related CEO and CFO certifications for the periods ended December 31, 2019 (the "**Annual Filings**"), March 31, 2020 (the "**Q1 Filings**") and June 30, 2020 (the "**Q2 Filings**").

On May 20, 2020, the Canadian Securities Administrators ("**CSA**") issued a notice stating that securities regulators will be providing coordinated relief consisting of a 45-day extension for certain periodic filings required to be made during the period of June 2, 2020 to August 31, 2020, as a result of the COVID-19 pandemic. Accordingly, the Ontario Securities Commission ("**OSC**") has enacted Instrument 51-505 – *Temporary Exemption from Certain Corporate Finance Requirements* ("**OSC 51-505**").

The Company will be relying on the temporary exemption pursuant to OSC 51-505 for its Q2 Filings in respect to the following provisions:

- the requirement to file interim financial statements for the six month period ended June 30, 2020, within 60 days of the Company's second quarter as required by section 4.4(b) of NI 51-102
- the requirement to file management discussion and analysis for the period covered by the Interim Financial Statements within 60 days of the Company's second quarter as required by section 5.1(2) of NI 51-102; and
- the requirement to file certifications of the Interim Financial Statements pursuant to section 5.1 of National Instrument 52-109.

The Company expects its Q2 Filings will be filed on or before the October 13, 2020 deadline. Other than as disclosed in the Company's press releases, there have not been any material business developments since the date that the last financial statements of the Company were filed.

The Company is currently under a filing cease trade pending filing of its Annual Filing and Q1 Filings and is continuing to work diligently and expeditiously with its auditors to file its Annual Filings. The Company anticipates that such Annual and Q1 Filings will be complete prior to the end of the current week.

In addition, the Company would like to announce that Ommid John Faghani, the current Chief Executive Officer of Tree of Knowledge, has assumed the roles of Chairman and interim Chief Financial Officer.
