## 1<sup>st</sup> Quarter April – June 2021

---

The Board of Directors of LASCO Financial Services Limited (LFSL) is pleased to present the First Quarter unaudited financial results.

---

### THREE MONTHS BUSINESS PERFORMANCE HIGHLIGHTS

#### 591 million dollars in Income

Up 9.7 percent above the corresponding 2020 period  
An increase of 52 million dollars

#### 158.5 million dollars Profit from Operations

Up 819 percent above the corresponding 2020 period  
An increase of 180.6 million dollars

#### 74.9 million dollars Net Profit for the period

Up 171 percent above the corresponding 2020 period  
An increase of 180.7 million dollars

---

LASCO Financial Services Limited's (LFSL) consolidated first quarter transactions generated \$591 million in revenues which is \$52 million more than the corresponding three months period in 2020. The 9.7% increase is largely due to ongoing growth in our money services business. Revenues generated from the Microfinance company, though incrementally improving, is still below that of the previous year. The overall performance is however in line with our targets and growth expectations.

For the period under review, Total Expenses declined by 22.9%, from \$561.0 million to \$432.4 million. Administrative expenses remained relatively flat but Selling and promotional expenses declined due to reduced promotional activity as well as the reduction in estimated credit losses.

Operating Profit for the first quarter closed at \$158.5 million compared with a loss of \$22.0 million in the similar period of 2020 which is a positive trend as we cautiously implement strategies and cost saving actions to ensure that we emerge from the 2020 pandemic a much stronger business.

LFSL marginally reduced its Financing costs as we have been paying down our debts and gradually building our cash flow. Finance cost for the period reduced by 4% from \$49.7 million to \$47.7 million, closing with a consolidated Profit after Tax \$74.9 million, up from the previous year's June 2020 loss of \$105.7 million.

## BALANCE SHEET HIGHLIGHTS

---

	Q1 2021 \$'000	Q1 2020 \$'000
<b>CASH &amp; SHORT TERM DEPOSITS</b>	1,164,414	941,636
<b>TOTAL ASSETS</b>	3,960,608	4,038,480
<b>LONG TERM DEBT</b>	1,942,124	2,020,876

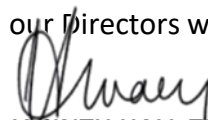

Total assets reduced year over year by \$77.8 million or 2% to close the quarter at \$3,960,608 million. Cash and short-term deposits increased by \$222.8 million over the corresponding period. The increase in cash is due to the reduction in lending as well as increased revenues from the Money Service Business.

In the upcoming quarters, the company will be focused on areas of the business where we can benefit from more efficiencies and therefore drive costs down. We will also continue to invest in those areas which drive current revenues or will be key in driving future revenues. Our recent partnership with Visa International will complete the full ecosystem of offerings to our customers. Our services for the unbanked include the payment and acceptance of business and personal financial transactions, sending and receiving funds cross border, in store, online or directed to a bank account or prepaid card. We also grant loans to minimum wage earners, micro and small businesses and provide ecommerce options such as a webstore with shopping cart or payment buttons.

During the quarter, we partnered with the Jamaica Cultural Development Commission and the Miss Jamaica Festival Queen 2019/2020, Khamara Wright, to support the Linstead Community Development Committee (CDC) in providing assistance to women and children who are victims of domestic violence. Clothing, food and personal hygiene items were donated through a charity drive organized by the company and supported by team members and affiliate partners. The initiative was dubbed "Buy one, Share one, Each one, Help one".

We are cautiously optimistic about the prospects of the business and are working diligently to ensure that strategies in place supported by the investments in technology will yield the sustainable value for all stakeholders and in particular our shareholders.

We wish to express our appreciation to our customers, our employees, agents and merchants who continue to serve our customers with enthusiasm even as they comply with Covid-19 protocols and our Directors who continue to drive our passion for the business.
