UNAUDITED FINANCIAL REPORT TO THE SHAREHOLDERS

Company Performance for the Quarter Ended 30 June 2021

At the end of the 2nd Quarter, the Company earned total income of J\$80.7 million compared to J\$71.6 million in the prior comparable quarter 2020; an increase of \$9.1 million or 12.7%. All our four divisions had growth in commission over the previous quarter.

The net increase in Commission Income of \$6.7 million (9.6%) resulted from the increase in commissions earned from the General Insurance Division of \$2.7 million, Int'l Ins. Division \$2.5 million, Employee Benefits Division \$918K and Individual life Division of \$0.511 thousand.

Operating expenses for the period increased by \$15.0 million (19.3%) compared 2nd quarter 2020. We had increases in expenses such as staff costs related to succession planning and to drive revenue growth in key areas of the business. Advertising and promotion increased due to the promotion of our revamped Credit Union Gold Series Members Plan. Depreciation due to addition to property, plant & equipment also increased over previous quarter.

Finance charge for Q2 was \$1.5 million, and Loss Before Tax was \$13.7 million.

The Company had tax credit of 0.302 thousand which resulted in Net Loss of 13.4 million for the 2^{nd} Quarter compared to Net Loss of 8.8 million for the comparable quarter in 2020.

The total assets of the Company for Q2 2021 increased to J\$702.3 million compared to J\$639.9 million for 2020 Q2; an increase of J\$62.4 million or 9.8%. This increase was mainly attributed to:(1) increase in property plant & equipment due to assets purchased; (2) right of use assets for an operating lease and (3) increase in cash and bank balances at the end of the period.

Total liabilities for Q2 2021 were \$391.2 million compared to \$352.5 million for the corresponding period of 2020; a \$38.7 million increase due to increase in lease liability & payables.

The Company's Total Equity was J\$311.1 million as at June 2021, compared to \$287.4 million at the same period in 2020. This is an increase of J\$23.7 million, or 8.2%, the increased Equity is mainly due to increase in retained earnings.

Year to Date Review

For the six months ended 30 June 2021, the company earned total income of \$168.0 million compared to \$154.2 million in June 2020; an increase of \$13.8 million (8.9%). The increase resulted mainly from a \$11.7 million increase in commission income from three of our four divisions. The net increases were from Int'l Insurance Division, General Insurance Division and Employee Benefits Division.

We want you to LOVE doing business with us!

UNAUDITED FINANCIAL REPORT TO THE SHAREHOLDERS

Operating expenses of \$186.2 million for the six months ended June 2021 was an increase of \$23.4 million or 14.4% compared with June 2020 YTD. Areas that contributed to the increases in expenses included staff costs, product development initiatives, repairs & maintenance, registration fees arising from increased licence and regulatory fees and depreciation for addition to property, plant & equipment.

Finance charges for the six months ended June 2021 was \$2.98 million, Loss Before Tax was \$21.2 million.

The Company had a tax charge of \$0.147 thousand which resulted in Net Loss for the six months amounting to \$21.3 million compared to \$13.4 million for the comparable period in 2020.

The total asset of the Company increased to J\$702.3 million from J\$592 million for 2020-year end; an increase of J\$110.3 million or 18.6%. This increase was mainly attributed to increase in receivables and cash & bank balances.

The Company's total Equity had decrease to J\$311.1 million at June 2021, from J\$332.4 million for 2020-year end; this represents a decrease of J\$21.3 million or 6.4%.

Total liabilities increased by \$131.5 million or 50.6% due to increase in payables as a result of an increase in premiums booked for the 2^{nd} quarter.

The company revamped one of its products i.e., the Credit Union Gold Series Member Plan. The plan was redesigned by Caribbean Assurance Brokers Ltd. and insured by Guardian Life Limited. We currently have an open enrolment period for new applicants to join the plan through participating credit unions Island wide without any medical questions being asked. The improvement done to the plan is quite timely as over the last year many young persons may have lost jobs because of the COVID 19 pandemic, and this provides an opportunity for members of the public, who are now self-employed, to access affordable health, life, and personal accident insurance coverage through their credit unions in these difficult times.

We thank our staff for their dedication and wish to thank our customers for their continued support of our business.

Raymond Walker Chairman/CEO

V. Wee

NOTES TO THE UNAUDITED FINANCIAL STATEMENTS

30 JUNE 2021

1 IDENTIFICATION AND PRINCIPAL ACTIVITIES:

- (a) Caribbean Assurance Brokers Limited is a limited liability company incorporated and domiciled in Jamaica and is regulated by the Financial Services Commission of Jamaica. The registered office of the company is 94d Old Hope Road, Kingston 6, St. Andrew, Jamaica.
- (b) The principal activity of the company is to search the insurance market place for a company in which to place the insured's business for the lowest cost to the insured.
- (c) The company became listed on the Junior Market of the Jamaica Stock Exchange on 9 March 2020. Consequently the company is entitled to a remission of taxes for ten (10) years in proportions set out below, provided the shares remain listed for at least 15 years.

Years 1-5 100% Years 6-10 50%

2 REPORTING CURRENCY:

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). These financial statements are presented in Jamaican dollars, which is considered the company's functional and presentation currency.

3 SIGNIFICANT ACCOUNTING POLICIES:

The same accounting policies and methods of computations are followed in the interim financial statements as compared with the most recent annual audited financial statements.

4 EARNINGS PER STOCK UNIT:

Earnings per stock unit is calculated by dividing the net profit attributable to stockholders by the weighted average number of ordinary stock units in issue at end of period.
