

MANAGEMENT DISCUSSION AND ANALYSIS

AMG Packaging & Paper Company Limited (AMG) presents its Unaudited Financial Statements for the 4th Quarter ending August 31, 2021.

Sept 1, 2020 – August 31, 2021 compared to Sept 1, 2019 – August 31, 2020

- Revenues for the financial year period to August 31, 2021, decreased by 2.06 %, moving from \$720.45 million to \$705.91 million.
- Gross Profit for the period to August 31, 2021, increased by 12.53%, moving from \$182.45 million to \$205.31 million.
- Total Manufacturing Costs for the period to August 31, 2021, decreased by 6.75%, moving from \$538.00 million to \$500.60 million.
- Total Expenses for the period to August 31, 2021, increased by 14.12%, moving from \$125.12 million to \$142.78 million.
- Net Income for the period to August 31, 2021, showed an increase of 12.54%, moving from \$61.40 million to \$69.09 million.

	12 Months Ending August 31, 2021	12 Months Ending August 31, 2020
Total Revenue	705,912,603	720,453,241
Gross Profit	205,317,418	182,450,747
Net Income Before Tax	69,091,760	61,395,617
Total Assets	911,099,757	821,279,547

June 1, 2021 – August 31, 2021 compared to June 1, 2020 – August 31, 2020

- Revenues for Q4 2021 increased by 5.39%, moving from \$186.95 million to \$197.02 million.
- Gross Profit for Q4 2021 increased by 14.73%, moving from \$48.08 million to \$55.16 million.
- Total Manufacturing Costs for Q4 2021 increased by 2.15%, moving from \$138.87 million to \$141.86 million.
- Total Expenses for Q4 2021 increased by 21.91%, moving from \$31.75 million to \$38.71 million.

- Net Income for Q4 2021 increased by 12.68%, moving from \$18.19 million to \$20.50 million.

	3 Months Ending August 31, 2021	3 Months Ending August 31, 2020
Total Revenue	197,018,721	186,946,590
Gross Profit	55,161,748	48,078,079
Net Income Before Tax	20,497,660	18,191,407
Total Assets	911,099,757	821,279,547

The construction work at 12 Retirement Crescent was completed within the Fourth Quarter. We expect the arrival of the machinery and equipment early within the First Quarter of the 2021-2022 Financial year.

There were numerous challenges we faced throughout the year.

The Covid pandemic continues to affect our operations particularly the lockdown days and the curfew hours.

The dramatic increases in freight costs as well as the shortage of paper on the world market, continues to drive up the cost of paper.

AMG's management team continues to monitor what is happening on the world and local markets.

 George Hugh
 Managing Director

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
August 31, 2021

1 Identification and principal activities

AMG Packaging & Paper Company Limited "the company"

- (a) The company was incorporated on the 26th of September 2005, under the Jamaica Companies Act and is a wholly owned Jamaican company. It's registered office is located at 9 Retirement Crescent, Kingston 5.

The company was re-registered in July 2011 under the Companies Act 2004 as a public company

- (b) The company is engaged primarily in the manufacturing, distribution and retailing of cartons of various sizes

(c) **Stock Exchange Listing**

The company has been listed on the Jamaica Junior Stock Exchange since July 14, 2011

2 Reporting Currency

The amounts in these financial statements are expressed in Jamaican dollars, which is the primary currency in the country which it operates.

3 Statement of Compliance, Basis of Preparation and Significant Accounting Policies

(a) **Statement of compliance**

These financial statements are prepared in accordance with International Financial Reporting Standards (IFRS) and their interpretation adopted by the International Accounting Standards Board, and have been prepared under the historical convention.

(b) **Basis of Preparation and Significant Accounting Policies**

These statements have been prepared using historical cost basis except for certain financial instruments that are measured at fair value as explained in the accounting policies below.

Historical cost is generally based on fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between marketing participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

In addition, for financial reporting purposes, fair value measurement are categorised into level 1,2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follow:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the company can access at the measurement date.

Level 2 inputs are inputs, other than quoted prices included within Level , that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

New and Revised IFRSs' in issue but not yet effective

The Company has not applied the following new and revised IFRSs' that have been issued but are not yet effective:

IFRS 17	Insurance Contracts Effective for annual periods beginning on or after Jan 1, 2021
Amendments to IFRS 4	Applying IFRS 9 Financial Instruments with IFRS 4 Insurance Contracts Effective for annual periods beginning on or after Jan 1, 2021

The Accounting Policies of the Company have remained unchanged from those set out in the annual Financial Statements as at August 31, 2020

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
August 31, 2021

Financial Risk Management

Interest Rate Risk

Interest rate risk arises when the value of a financial instrument fluctuates during a specified period due to changes in market interest rates.

The company faces significant interest rate risk in respect to loans and investments

Credit Risks

Credit risk is the risk of exposure occasioned by one party to financial instruments when the other party fails to discharge an obligation thus causing the other party to suffer a financial loss.

The company is exposed to credit risk at August 31, 2021 in respect to receivables from other companies

Foreign Currency Risk

A foreign currency risk is the risk that the value of a financial instrument will fluctuate due to changes in the foreign exchange rates.

The company has direct exposure to foreign currency risk regarding United States dollar denominated savings account and foreign payables.

Liquidity Risk

Liquidity risk is that risk which a company faces when it encounters difficulty in raising funds to meet commitments associated with its financial instruments. Liquidity risk may result from an inability to sell a financial asset quickly at, or close to, its fair value. Prudent liquidity risk management implies maintaining sufficient cash and cash equivalents, and the availability of funding through an adequate amount of committed facilities.

At August 31, 2021 the company faced liquidity risks as indicated below:

c. IFRS 16

IFRS 16 Leases Effective 1 January 2019, IFRS 16 has replaced IAS 17 Leases and IFRIC 4 Determining whether an Arrangement Contains a Lease

IFRS 16 provides a single lessee accounting model, requiring the recognition of assets and liabilities for all leases, together with options to exclude leases where the lease term is 12 months or less, or where the underlying asset is of low value. IFRS 16 substantially carries forward the lessor accounting in IAS 17, with the distinction between operating leases and finance leases being retained. The Company does not have leasing activities acting as a lessor.

The lease liabilities were measured at the present value of the remaining lease payments, discounted using the rate implicit in the Lease contract.

Right of use assets are initially measured at the amount of the lease liability, reduced for any lease incentives received, and increased for:

- lease payments made at or before commencement of the lease;
- initial direct costs incurred; and
- the amount of any provision recognised where the Company is contractually required to dismantle, remove or restore the leased asset.

Subsequent to initial measurement lease liabilities increase as a result of interest charged at a constant rate on balance outstanding and are reduced for lease payments made.

Right-of-use assets are amortised on a straight-line basis over the remaining term of the lease or over the remaining economic life of the asset if, rarely, this is judged to be shorter than the lease term.

Lease liabilities are remeasured when there is a change in future lease payments arising from a change in an index or rate or when there is a change in the assessment of the term of any lease.

On the statement of financial position, right-of-use assets have been included in property, plant and equipment, while interest expense is in finance costs.

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
August 31, 2021

d. **Property, Plant and Equipment**

This standard shall be applied in accounting for property, plant and equipment except when another standard requires or permits a different accounting treatment.

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if:

(a) It is probable that future economic benefits associated with the item will flow to the entity; and

(b) The cost of the item can be measured reliably

Items of property, plant and equipment may be acquired for safety or environmental reasons. The acquisition of such property, plant and equipment, although not directly increasing the future economic benefits of any particular existing item or property, plant and equipment, may be necessary for an entity to obtain the future economic benefits from its other assets. Such items of property, plant and equipment qualify for recognition as assets because they enable an entity to derive future economic benefits from related assets in excess of what could be derived had those items not been acquired.

An item of property, plant and equipment that qualifies for recognition as an asset shall be measured at its cost.

An entity shall choose either the cost model or the revaluation model as its accounting policy and shall apply that policy to an entire class of property, plant and equipment.

Revaluation:

After recognition as an asset, an item of property, plant and equipment whose fair value can be measured reliably shall be carried at a revalued amount, being fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment loss. Revaluations shall be made sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period.

When an item of property, plant and equipment is revalued, the carrying amount of that asset is adjusted to the revalued amount. At the date of revaluation, the asset is treated in one of the following ways:

(a) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and that carrying amount of the asset after taking into account accumulated impairment losses; or

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
August 31, 2021

Property, Plant and Equipment (cont'd)

(b) the accumulated depreciation is eliminated against the gross carrying amount of the asset.

After recognition as an asset, an item of property, plant and equipment shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

The depreciation charge for each period shall be recognised in profit or loss unless it is included in the carrying amount of another asset.

The company recognises depreciation under the expense heading of "depreciation".

The depreciable amount of an asset shall be allocated on a systematic basis over its useful life.

The depreciation method used by the company is the straight line basis and is designed to write off the assets over its useful life.

Rates are as follows:

Buildings	2.5%
Machinery & Equipment	10%
Computer	20%
Furniture & Fixtures	10%
Motor Vehicle	12.5%

Repairs and Maintenance expenditures are charged to the profit or loss in the statement of comprehensive income during the financial period in which they are incurred.

Inventories include assets held for sale in the ordinary course of business (finished goods), assets in the production process for sale in the ordinary course of business (work in progress) and materials and supplies that are consumed in production (raw materials), [IAS 2.6]

e. Inventory

Inventories are stated at the lower of cost and net realisable (NRV) value.

Cost should include all:

- (i) costs of purchase (including taxes, transport, and handling) net of trade discounts received
- (ii) costs of conversion (including fixed and variable manufacturing overheads) and
- (iii) other costs incurred in bringing the inventories to their present location and condition

NRV is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

Any write-down to NRV should be recognised as an expense in the period in which the write-down occurs. Any reversal should be recognised in the income statement in the period in which the reversal occurs.

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
August 31, 2021

f. **Cash & Cash Equivalents**

Cash and cash equivalents are held for the purpose of meeting short term commitments rather than for investments for other purposes. For an investment to qualify it must be convertible to a known amount of cash and be subject to an insignificant risk of change in value, An investment normally qualifies as a cash equivalent when it has a short maturity of three months or less from date of acquisition

g. **Revenue**

This standard outlines the accounting requirements as to when to recognise revenue from the sale of goods, rendering of services, and for interest, royalties and dividends. Revenue is measured at fair value of the consideration received or receivable and recognised when prescribed conditions are met, which depend on the nature of the revenue.

The company's main revenue source is manufactured and printed boxes which is recognised on the Sales -basis method. Under this method revenue is recognised at the time of sale, which is defined as the moment when title of the goods is transferred to the buyer. The company recognises other income when rights and obligations have been transferred to the entity.

h. **Effects of changes in foreign exchange rates**

An entity may carry on foreign activities in two ways. It may have transactions in foreign currencies or it may have foreign operations.

This Standard shall be applied:

(a) In accounting for transactions and balances in foreign currencies, except for those derivative transactions and balances that are within the scope of IFRS 9 Financial Instruments;

(b) In translating the results and financial position of foreign operations that are included in the financial statements of the entity by consolidation or equity method; and

(c) In translating an entity's results and financial position into a presentation currency.

This company owns a foreign currency savings account which is subject to changes in exchange rate.

A foreign currency transaction shall be recorded, on initial recognition in the functional currency, by applying to the foreign exchange amount the spot exchange rate between the functional currency and foreign currency at the date of the transaction.

At the end of each reporting period foreign currency monetary items shall be translated using the closing rate.

AMG PACKAGING & PAPER COMPANY LTD
NOTES TO FINANCIAL STATEMENTS
August 31, 2021

i. **Related Party Disclosures**

The objective of this standard is to ensure that an entity's financial statements contain the disclosures necessary to draw attention to the possibility that its financial position and profit or loss may have been affected by the existence of related parties and by transactions and outstanding balances, including commitments, with such parties.

A related party is a person or entity that is related to the entity that is preparing the financial statements (in this standard referred to as the 'reporting entity').

(a) A person or a close member of that person's family is related to a reporting entity if that person:

- (i) has control or joint control of the reporting entity;**
- (ii) has significant influence over the reporting entity; or**

(b) An entity is related to a reporting entity if any of the following condition apply:

- (i) The entity and the reporting entity are members of the same group (which means that each parent, subsidiary, fellow subsidiary is related to the others)**
- (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member).**
- (iii) Both entities are joint ventures of the same third party.**
- (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.**
- (v) The entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity.**
- (vi) The entity is controlled or jointly controlled by a person identified in (a).**
- (vii) A person identified in (a) (i) has significant influence over the entity or is a member of the key management personnel of the entity (or a parent of the entity).**
- (viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of reporting entity.**

A related party transaction is a transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.
