Dear Sirs:

Re: The Palace Amusement Company (1921) Limited - Delayed Audited Financial Statements For Year Ended June 30, 2021

The Palace Amusement Company (1921) Limited wishes to advise that the submission of the Company's Audited Financial Statements for year ended June 30, 2021, as well as our Annual Report will be delayed. This serves to advise that we wish to avail ourselves of the extension relief being offered and advise that we will endeavour to submit by November 15, 2021.

The 2021 Audit is in progress however, the reduced work weeks in August and September, resulting from Government's action to bring the spike in COVID 19 cases in the country under control, have resulted in additional time being needed to complete due diligence and other audit procedures.

The Palace Amusement Company (1921) Limited apologizes for any inconvenience caused and a notice advising all stakeholders will be placed in the Gleaner.

Yours faithfully,

COMPANY SERVICES LIMITED
COMPANY SECRETARY
