  - Relatives of individuals working at the JSE, Member Dealers or any other equity firms
  - Persons who have participated in the Game over the past two (2) years
  - Persons currently participating in any of the JSE's games of a similar structure
2. Individuals can enter by login on the homepage of the Jamaica Stock Exchange's website **www.jamstockex.com** and register by clicking on: **Register for a Free Account**. You will be asked to provide a user name, a password and to verify that the request is not a spam. Follow the instructions in the registration confirmation emailed. **Next, select 2021-2022 Public Stock Market Game.**
3. Each registered account will be given \$100,000.00 of virtual funds to invest in common stocks listed on the Main and Junior markets.
4. Each stock price is the market daily closing price.
5. The game can be played Monday to Friday 1:30 p.m. – 12:00 a.m. (midnight). Trades can only be transacted on stocks traded that same day during the course of the live market trading (9:30 a.m. to 1:00 p.m.).
6. Portfolio value will be based on the end of day/real market pricing.
7. The JSE's website provides research resource and current market information to help make informed decisions.

8. The Game will provide a summary page showing the ranking of each individual based on portfolio performance and value.
9. Individuals will be able to view portfolio summaries, stock performance, order details and transaction history.
10. It will be the responsibilities of each individual to conduct their own research, but some information is available on the JSE's website on the listed companies.
