Dear Mr. Tulloch,

tTech Limited advises of a delay in the submission of our Audited Financial Statement for Year 2021 and will therefore be utilizing the extension period granted by the Jamaica Stock Exchange.

This is due primarily to COVID 19 conditions which has affected resource allocation internally.

The submission of the Audited Financial Statement will be done on/or before March 31, 2022, in accordance with the extension granted.

If there are any questions, feel free to contact the undersigned.

Kindly acknowledge receipt.

Best Regards,
