Attention: Mr. Andrae Tulloch, Chief Regulatory Officer

Dear Sirs:

**Re: Delay in the submission of the audited financial statements as at March 31 2022 for
1834 Investments Limited**

Further to our letter of May 20, 2022 wherein we advised that the audited financial statements of 1834 Investments Limited (“1834”) for the year ending March 31, 2022 would be filed with the Jamaica Stock Exchange by June 30, 2022, we hereby advise a further delay to July 14, 2022. 1834 Investments Limited will therefore be availing itself of the forty-five day submission extension granted to all listed companies, for the filing of audited financial statements and the annual report.

The delay in submission is due to additional time required to complete the audit of the company’s financial statements, which continues to be impacted by resource and operational challenges related to COVID-19.

1834 is making every effort to have its audited financial statements submitted by July 14, 2022 or sooner, and will be advising its shareholders of the delay by way of a statement in the print media.

Yours faithfully,
1834 INVESTMENTS LIMITED

Terry Peyrefitte,
General Manager
