JAMAICA CENTRAL SECURITIES DEPOSITORY LIMITED

JCSD CLIENT PORTAL

A user-friendly, customer self-service portal that allows investors to manage and query their JCSD accounts.

About the JCSD Client Portal

Convenience matters and so the JCSD has designed a user friendly, self service portal with you our clients in mind. Once you have registered to the portal you will be able to:
-Generate Statements
-View Corporate Notices
-Update JCSD Account(s)
-View Dividend History
-View Company Registers Managed by JCSD
-Submit Queries

Registration / login

Registering for the JCSD platform is a quick and easy process. Investors will be required to create a profile by completing the online registration form, verifying your registration and adding your JCSD account(s). Companies with multiple accounts can utilize the bulk account upload feature.

JTrader users are able to log in using their current JTrader credentials.

General Statements

Users are able to generate E-statements showing holdings and values.

Corporate Notices

Users can view corporate notices suchas dividend notices, company annual general meetings, and much more...

Update Account

In managing your JCSD account(s), you can view and update your account with mandate, address, name change and contact details. (supporting documents required)

Dividend History

Users are able to view their dividend history and generate dividend warrants.
