Kingston, Jamaica, March 30, 2023. Radio Jamaica Limited (RJL) the parent company in the RJRGLEANER Communications Group has welcomed seasoned businessman, banker, engineer and current Chief Executive Officer of the ICD Group, Mr. Peter Melhado to fill an existing vacancy on its board, effective March 31, 2023. Mr. Melhado who is also Chairman of Sagicor Group and Red Stripe has previously held positions in UK-based construction company Kier International and the Manufacturers Group in Jamaica. He has served in the insurance, business process outsourcing and construction industries. He is a mechanical engineer and also has an MBA with a Finance concentration.

The RJL Board, at its meeting on Thursday also thanked urban planner and academic Prof. Carol Archer of the University of Technology (UTECH), who after six and a half years on the RJL board and 21 years on the Board of the Gleaner Company (Media) Limited (GCML), has resigned her directorship effective April 30, 2023.

Prof. Archer’s academic activities and her urban planning expertise are being expanded both locally and internationally, placing greater demands on her time and making it difficult to continue as a director.
