**FOR IMMEDIATE RELEASE:**

**April 3, 2023**

**iCREATE LIMITED**

**Delay in the Publication of the Annual Report and Audited Financial Statements  
for the year ended December 31, 2022**

Pursuant to **JSE Junior Market Rules Appendix 2, Part 4(3) – Published Annual Report and Audited Financial Statements**, the Annual Report and the Audited Financial Statements for the financial year ended December 31, 2022 must be published on or before April 30, 2023 and March 31, 2023 respectively. The delay in publication has been occasioned by the several audits of the subsidiaries for which iCreate Limited (“iCreate”) has acquired or taken an equity position over the recently concluded financial year. The completion of these audits are necessary to be accurately reflected in the consolidated financial statements of iCreate.

The delay will ultimately impact the timeline for the publication of the Annual Report and as such, the Audited Financial Statements, along with the Annual Report, are expected to be completed and published, **on or before May 31, 2023**. iCreate apologises to its shareholders for the inconvenience that this delay in publication has caused.
