INTERIM REPORT Q1 2023

UNAUDITED

INTERIM REPORT TO OUR STOCKHOLDERS

PBS' STRONG REVENUE AND EARNINGS GROWTH CONTINUES IN 2023

Fellow Shareholders:

Productive Business Solutions Limited (PBS) is pleased to present its financial results for the first quarter ended March 31st, 2023. PBS continued its growth trajectory in 2023 achieving record first quarter revenues, EBITDA and profit after tax.

Q1 Performance

For the quarter ended March 31st 2023, PBS achieved revenues of US\$87.5 million, an increase of US\$21.1 million or 31.8% over the corresponding period in 2022. Notwithstanding, Gross Margin was flat reflecting a mix of lower margin sales in the most recent period. The EBITDA for the first quarter of this year was US\$10.2 million compared to US\$9.9 million in the first quarter of 2022 or an increase of 3.7%. Net profit after tax increased by US\$1.1 million compared to the first quarter of 2022 allowing PBS to record a net profit of US\$1.7 million in what has traditionally been PBS' slowest quarter.

Highlights

PBS' key wins in the first quarter included the sale of over 178,000 tablets to Ministry of Education in El Salvador with a revenue of more than \$21 million. PBS also closed several material transactions in the Banking sector across the Caribbean. In the printing and imaging arena, PBS installed a Baltoro, the largest inkjet Digital Press that Xerox produces, in El Salvador. This is the first Baltoro in our region and the fourth in Latin America.

PBS is also pleased to announce that we renewed our Level 2 Service contract with a top 10 Fortune 100 company serving 5 countries in Central America.

We believe that our integrated presence in 19 countries in Central America and the Caribbean provides the opportunity to become a trusted partner to regional businesses that want a single contact, contract, price, and service level agreement. PBS core mission is to help our clients to optimize their business processes by being their preferred system integrator, services and technology provider.

As we look forward to the remainder of 2023, PBS' sales pipeline is strong. We are working on a wide variety of large-scale information technology projects across our territories and are particularly encouraged by opportunities in the education, security and banking sectors. The long-term trend of increased IT spending in our regions is enduring and we are confident that PBS' current momentum will continue.

Sincerely,

Paul B. Scott
