Delay of Audited Financial Statements

GWest Corporation Limited (GWest) has advised of a delay in filing its Audited Financial Statements for year ended March 31, 2023. The Company has advised that the delay is due to a combination of internal and external resource constrains which have adversely impacted completion of the audit of accounts for the year ended March 31, 2023. GWest expects that the Audited Financial Statements will be filed on or before July 12, 2023.
