Dear Dr. Street-Forrest,

Re: Image Plus Consultants Limited (IPCL) Director, Dr. Leon Vaughan

It is with deep sadness that we write to advise you of the sudden and untimely passing of Dr. Leon Vaughan, a major shareholder and Director on the Board of Image Plus Consultants Limited. He passed on August 5, 2023.

Appointed to the IPCL Board on November 2022, and a shareholder since November 2010, his contribution will be missed.

The Management and Board of IPCL extends their condolences to his wife Dr. Marian Allison Vaughan, our beloved team member and also a Director, his children, mother and extended family. To Dr Vaughan's colleagues and staff at Focused Ophthalmics Group, where he was the founder and Managing Ophthalmologist, we offer our support at this difficult time. Dr Vaughan had a rich history of service to healthcare in both the public and private sector in Jamaica, undoubtedly his indelible mark will be missed.

Should you have any questions or concerns, feel free to contact us at either of the numbers provided above.

Please be guided accordingly.

Yours sincerely,
