**FOR IMMEDIATE RELEASE:**

**August 31, 2023**

**iCREATE LIMITED**

**Synchronisation of Publication of the Unaudited Financial Statements for the Second Quarter ended June 30, 2023 with the Audited Financial Statements for the financial year ended December 31, 2022**

The Board of Directors of iCreate Limited (“iCreate”), having given great thought to present circumstances, wishes to advise that the Company will not publish the Unaudited Financial Statements for the Second Quarter (Q2) ended June 30, 2023 on August 31, 2023, but instead, will synchronise the release of the said Financial Statements with the release of the Audited Financial Statements for the financial year ended December 31, 2022 **on or before September 30, 2023**.

As previously advised the Company closed two (2) acquisitions during the period, being Mobile Edge Solutions Limited (GetPaid) effective January 31, 2022, and Visual Vibe.Com Limited effective May 31, 2023. It is critical that these complex transactions be correctly and completely represented.

The Board and Management of iCreate had requested a filing extension of the Q2 Financial Statements, which were due by August 15, 2023, to August 31, 2023. However, on further assessment, the leadership found it necessary to pursue various transactions for verification of correctness and completeness in the draft financial statements. These efforts are extensive and involve discussions with several parties including our Attorneys-at-Law and Auditors. As such, the Board of Directors has decided that it is prudent and in the best interest of all parties, including the market, to ensure that the 2022 year-end audit is completed and the 2023 year-to-date transactions audit-reviewed, before publication.

The Board and Management are committed to getting over the current hurdles and to meeting all regulatory and market requirements going forward. We ask for forbearance and understanding while we seek to complete the 2022 audit and the June 2023 interim financial statements during the next month.

The Board of Directors and Management of iCreate Limited apologise for the delay.
