Dear Mr. Tulloch,

Re: Passing of Hugh Allen, Director

The Board of Directors of tTech Limited regretfully advise that Hugh Allen, our colleague Director and a founder of the Company, passed suddenly on Friday, April 26, 2024.

Hugh was a quiet but tremendous force at tTech. He was always willing to go the extra mile for our customers and share his knowledge with other team members.

We will miss Hugh, but we must be thankful for his service to tTech, our customers, team members and the Board while he was with us.

Our deepest condolences to Hugh's family at this time of their loss.

Best Regards,

tTech Limited

Marsha Bucknor
Company Secretary
